

COMMITTEE ON BILLS ON SECOND READING

March 6, 2007

6:00 PM

Chairman Duval called the meeting to order.

The Clerk called the roll.

Present: Aldermen Duval, Lopez, Gatsas, Garrity, Pinard
Alderman Long

Messrs.: Deputy City Solicitor Arnold

Chairman Duval addressed item 3 of the agenda:

3. Ordinance:

“Amending Sections 33.025 and 33.026 (License Enforcement Inspector) of the Code of Ordinances of the City of Manchester.”

Alderman Garrity moved to recommend that the Ordinance ought to pass.
Alderman Lopez duly seconded the motion. There being none opposed, the motion carried.

Chairman Duval addressed item 4 of the agenda:

4. Ordinance:

“Amending Chapter 70: Motor Vehicles and Traffic of the Code of Ordinances of the City of Manchester by inserting a new Millyard parking lot permit option in Section 70:54(B): Permit Parking In Lieu of Coin Deposit for various parking lots within the Millyard.”

Alderman Garrity stated this is for the parking lots assume...the Pay & Display, is that what it is?

Chairman Duval stated that's correct.

Alderman Lopez stated nobody's here.

Chairman Duval stated may I get a motion for discussion.

Alderman Lopez moved for discussion and also a question for Item 3 as I didn't get an opportunity to speak to. Alderman Pinard duly seconded the motion for discussion. There being none opposed, the motion carried.

Alderman Lopez asked is that Item 3 or 4.

Chairman Duval replied Item 4.

Alderman Lopez stated I don't know who's here to discuss this...is there anybody.

Ms. Virginia Lamberton, Human Resources Director, stated I know nothing about parking other than I pay meters but it is my understanding that Brandy's mother... this came from Brandy...that there's been a major medical emergency and she flew out this morning to Seattle, Washington to be with her mother, so that's all I know.

Chairman Duval stated it passed the Traffic Committee.

Alderman Lopez stated if you'd give me a second to look at this.

Chairman Duval asked could the Clerk check to see if either Alderman O'Neil or Alderman Long are in the area please.

Chairman Duval stated Alderman O'Neil I hate to take you away from your meeting...in reference to Item 4 on our agenda it looks like you made the motion to accept this before the other committee. I was just wondering if you had any other comments before we take a vote on this in lieu of Ms. Stanley's absence tonight...she had an emergency situation she had to deal with and had to fly out-of-town...pertaining to the changeover from Pay & Display to permit parking in the Millyard District. I don't mean to put you on the spot but if you had any comments.

Alderman O'Neil stated I really don't, Mr. Chairman.

Chairman Duval stated perhaps a motion to table until the next meeting.

Alderman Garrity moved to table Item 4. Alderman Lopez duly seconded the motion. There being none opposed, the motion carried.

Chairman Duval stated Alderman Lopez you had a question regarding Item 3.

Alderman Lopez stated yes I'd appreciate it. If the City Clerk would tell me on the Licensing Inspector what that individual is going to do.

City Clerk Bernier replied they will be going to the Mall of New Hampshire and all the businesses that we have in the City of Manchester. With respect to Sunday licenses it's about 1,500. There are probably 100 that we have to make phone calls reminding them that at the end of April they will require payment for operating on Sundays. Anything to do with licensing (alarms, dogs, business, etc.) this person will be assisting with and will be working closely with Matthew Normand relative to the NET (Neighborhood Enhancement Team) project.

There being no further business to come before the Committee, on motion of Alderman Garrity, duly seconded by Alderman Pinard, it was voted to adjourn.

A True Record. Attest.

Clerk of Committee
